Turning Living Under Commanded Increase & Blessing.

What to do over the coming fortnight:

1. Pray for God to have access to your heart & to prepare you for His increase.
2. Journal your conversations with, & applications of, that which God reveals to you thru prayer over the fortnight.
3. Make a summary of your experiences with God & any changes you have been able to adopt. Share in your group.
4. Be prepared to share testimony to our church family, of God's empowering grace in your heart. Give Him glory.

**Memory Verses:**

*Ps 133 Behold, how good and pleasant it is when brothers dwell in unity! It is like the precious oil on the head, running down on the beard, on the beard of Aaron, running down on the hem of his robes! It is like the dew of Hermon, which falls on the mountains of Zion! For there the Lord has commanded the blessing, life forevermore.*

**What is the commanded increase & blessing of God?**

Ask Holy Spirit to speak to you about what this means. Journal your thoughts.

**What four conditions attract the commanded blessing / increase of God?**

See the concluding points from Sunday's message

**Review your notes / MP3 and engage the Holy Spirit's counsel as you consider the four areas that attract commanded blessing.**

- a. The Lordship of Christ
- b. The oil
- c. The dew
- d. Zion

Commit to a daily conversation with the Holy Spirit about one of these areas each day.

**Ask the Holy Spirit what He would like to do in your life in the following four areas.**

1. Choosing to give Jesus Lordship over our individual lives every day.
2. Choosing to be God's source of faith, hope & love to others. Freely we received, freely we must give.
3. The life of God, sown into our lives, being returned to God as a grateful & worthy offering.
4. Our lives being given to each other to fulfil the purpose of God TOGETHER.

This is where the Holy Spirit can transform your life and reposition you to access commanded blessing & increase.

- Take time over the next four weeks (two LTG meetings) to walk with Holy Spirit thru these four focuses.

- Ask Him how He wants to manifest Himself in you & thru you to others, then obey Him.

- Each day, find one thing to do (big or small) that will make real what the Holy Spirit speaks to you about when you spend time with Him (in regard to these four conditions).

- Ask H/S to show you God's commanded blessing / increase in your life each day. Journal your experiences.
