Tuned to the Holy Spirit for Divine Increase.

What to do over the coming fortnight:

1. Pray for God to have access to your heart & to prepare you for regular encounters with the Holy Spirit.
2. Journal your conversations with, & applications of, that which H/S reveals to you thru prayer over the fortnight.
3. Make a summary of your experiences with H/S & any changes you have been able to adopt. Share in your group.
4. Be prepared to share testimony to our church family, of the changes the H/S is empowering in your heart.

Memory Verses:

John 16:7 *But I tell you the truth, it is for your benefit that I am going away. Unless I go away, the helper will not come to you; but if I go, I will send Him to you.*

Rev 3:20 *Behold, I stand at the door and knock. If anyone hears My voice and opens the door, I will come in and dine with him, and he with Me.*

What is the most important question to ask yourself after every Sunday service or church prayer meeting?

Why?

Journal your thoughts & discuss this among your group.

What connection does your relationship with the Holy Spirit have with God's increase in your life?

Review John 16:13 – 15. This is the daily work of the Holy Spirit in your life. Consider what He is commissioned to do & what response you should give Him.

How do you know when your response to the voice & work of the Holy Spirit is out of order or inaccurate?

How can you improve your response?? James 4:6

Discuss what humility looks like when it lives in your heart and is practised in your life? Consider Phil 2:2 - 11

Ask the Holy Spirit in what earthly relationships He wants you to humble yourself.

Do something practical in that relationship, this week, which reflects your humble response to the Holy Spirit.

Why is your response to the Holy Spirit each day of such vital importance?

How would you describe your consistent response to the Holy Spirit? Do you consider the Holy Spirit is satisfied with your response? Why? Why Not?

Share your answer with your LTG. Be open to their feedback & encouragement.

If you give the Holy Spirit permission to change your heart (by humbling yourself & cooperating with Him), in what specific 4 areas of your life would you expect to see the effects of these changes.

How you relate with: 1. 2. 3. 4.

Over the next two weeks, ask the Holy Spirit to give you a heart to hear His voice and grace to respond with action.

Each day seek the Holy Spirit's guidance for your day. Write it down. Do what He says. Observe what happens to the four specific areas of your relating (God, others, self, life) & testify with your LTG how & with whom you're relating has changed. Give God praise and be grateful.

Review the 'Staying Tuned in to the Voice of the Holy Spirit' flow chart at the end of the ministry notes.

Employ this process each time the voice of the Holy Spirit becomes unclear to you.
